How They Work

Communication Style

Supportive and collaborative

Priya creates a supportive communication environment where team members feel comfortable sharing ideas. They listen carefully and provide thoughtful responses that help build consensus and team harmony.

Decision-Making Style

Consensus-building and steady

Priya takes time to build consensus and ensure everyone is comfortable with decisions. They prefer steady, well-considered choices that maintain team stability and support long-term success.

Career Motivators

- Contributing to team stability and long-term success
